**DODGEBALL:** A great new program which offers controlled dodge ball in a safe environment. Low impact balls and strict rules are enforced to ensure fairness and safety. Participants will be split into different teams each week and participate in round robin games. Depending on their Win-Loss record each night, each child will be given a points score based on their performance. At the end of the session, participants will be able to see their standings. This is a great sport that anybody can play, you just have to give it a try.

**INTRAMURAL SOCCER LEAGUE:** Sign up before March 31st to guarantee your child a place in the league. Any registrations after this date will be placed on a wait list and placement on a team can not be guaranteed. Come in now to fill out your registration card. Volunteer coaches (discounts apply) are always welcomed and in demand. Call Paul (ext 145) for more details.
